

FINANCIAL RESOURCES CANDIDATE DECLARATION

Please return the Declaration duly filled in and signed directly to neurasmus@u-bordeaux.fr by December 4th 2015.

I, undersigned Mrs / Mr / Ms, certify that I have adequate funds to pursue the Neurasmus Program. I am fully aware that, in the case I'm enrolled under the Neurasmus Excellence Scholarship, I can expect no financial assistance from the Master Program towards payments of maintenance/travel costs during my period of study of the MSc in Neuroscience.

Please tick if relevant, and insert the total amount:

- Personal or Family contribution¹: €
 - Loan²: €
 - Expected summer earnings³: €
 - Sponsorship / Scholarship programme: ⁴ €
 - Other (please specify): ⁵ €
- TOTAL ⁶ €

1: *please attach a Letter of Intent*

2: *please attach an official proof of application*

3: *please attach any relevant information*

4: *please attach an official proof of application incl. name of sponsorship/scholarship programme.*

5: *please attach any relevant information*

6: *all students should secure a min. amount of 26,000€ (total amount includes travel and living expenses for the 2-year programme).*

I declare I will attend assiduously, and with the objective of successfully passing, the modules, and the thesis and follow the Personal Training Plan, including mandatory mobility, inherent in the programme of studies.

I declare I will accept all the conditions specified in the Student Agreement that I will sign at the time of enrolment.

I understand that access to the Neurasmus Programme is a competitive process with only a limited number of places offered under the Excellence Scholarship programme. I may thus be offered a position in the Neurasmus Programme, on the conditions that:

- I fulfil the Neurasmus requirements,
- My ranking among the candidates allows me to obtain a place in a Study Track,
- I have adequate financial support.

Provisional costs

The Neurasmus Programme welcomes applications from both European and non-European students who are aware of the study costs of the programme. All applicants are recommended to search alternative funding sources from their governments, NGOs, employers or other sponsors. Students with the Neurasmus Excellence scholarships must be able to cover studying and living costs.

A student may be accepted and enrolled in the Neurasmus Programme, provided that he/she has the financial resources to cover the studying and living costs each year. As such, he/she is entitled to the following support and services:

- access to the Neurasmus welcome days,
- access to all Neurasmus courses and workshops delivered under his/her Study Track and Personal Training Plan,
- assistance from the student services of the partner universities in accordance with regulations of student services,
- use of libraries in accordance with library regulations of the partner universities,
- use of information technology infrastructures in accordance with the specific regulations of the partner universities,
- educational support through any of the learning environments at the partner universities,
- access to extra curriculum activities organized within the Neurasmus Programme,
- and insurance coverage.

The student him/herself is responsible for covering the following cost items:

- travel from and to the country of his/her origin,
- travels between the home and host universities,
- passport, visa and residence permit,
- accommodation,
- living costs,
- local transportation,
- study materials (books...),
- etc.
